# Section 1: Introduction

## 1.1 Our Commitment

Alberta Municipal Affairs is committed to helping to ensure Albertans live in viable municipalities and communities with fiscally responsible, well-managed, accountable local governments. To achieve this, Municipal Affairs plays an important role in assisting and supporting municipalities in Alberta through various programs to foster capacity building, transparency and accountability, which are essential elements for responsible local government.

The *Municipal Government Act (MGA)*, which provides the legislative framework for local government in Alberta, has numerous mandatory requirements that may at times seem overwhelming and difficult to manage for municipalities. Municipalities are also bound by other statutes and corresponding regulations that fall under the purview of Municipal Affairs. Compliance with these statutes and regulations is essential to good governance, the successful operation of a municipality and the viability, safety and well-being of a community. The Municipal Accountability Program is designed to help municipal officials successfully meet the challenges involved in responding to this wide range of legislative needs.

## 1.2 The Municipal Accountability Program

With a focus on supporting municipalities in continuing to strengthen municipal accountability and transparency, the purpose of this program is to:

- support municipalities in strengthening their knowledge of mandatory legislative requirements with a primary focus on the *MGA*;
- support municipalities in achieving legislative compliance;
- support municipalities in being well-managed, accountable and transparent; and
- provide a collaborative partnership between Municipal Affairs and municipalities to address legislative discrepancies that may exist.

The Municipal Accountability Program consists of multi-year cycle reviews, ordered by the Minister under Section 571 of the *MGA*. While this program is available to all municipalities, upon the request of a council and with the approval of the Minister, municipalities with populations of 2,500 or less are automatically scheduled for a visit once every five years. The Town of Smoky Lake was randomly selected for a municipal accountability review in 2021.

Working with the chief administrative officer (CAO), support is provided to mitigate any minor legislative gaps that may be identified. Ministry staff work with CAOs to validate compliance,

identify gaps, provide resource information, and develop corrective solutions where needed. The outcome of this program will be strong, well-managed, accountable municipalities and a strong collaborative relationship between the CAOs and the ministry.

The results of the Town of Smoky Lake review, contained in this report, are offered to support the municipality's efforts in achieving its goals for ongoing legislative compliance with the *MGA* and its associated regulations, as well as other legislation under the responsibility of Alberta Municipal Affairs.

# Section 2: Executive Summary

## 2.1 Methodology

The Municipal Accountability Program consists of a review of council meeting minutes, municipal bylaws, and other municipal documents. A visit and interview with county administration is also included. These components assist in determining areas where the municipality is in compliance with legislative requirements, and to identify any areas that require improvement to achieve compliance with the many requirements the *Municipal Government Act* and other legislation imposes on municipalities.

Adhering to the current COVID-19 social distancing recommendations, Municipal Affairs staff met with town administration on May 26, 2021 by electronic means. This virtual format was used to complete the on-site portion of the Municipal Accountability Program review and to examine compliance with mandatory requirements of the *MGA* and other legislation under the purview of Municipal Affairs.

The Town of Smoky Lake is commended for their cooperation and assistance throughout the review. As well as the time commitment during the site visit, municipal staff promptly responded to questions and provided documentation as requested. Ministry staff appreciate this additional time and effort and recognize the commitment to the well-being and success of the municipality demonstrated by town administration.

This response must be submitted to Municipal Affairs within eight weeks of receiving this report. For your municipality's convenience, this report has been formatted to provide space in each section for responses to the findings on each particular area of non-compliance; however, your municipality is not required to use this report to provide its responses, and may prefer instead to develop a customized document for the responses and implementation plan.
